ALUMINUM STORM DOORS

DECADES OF PROVEN PERFORMANCE

Gerkin Windows and Doors has been building storm doors for over 60 years. Our experience tells us that many companies try to build a door that fits a particular price point while forgetting about quality and value.

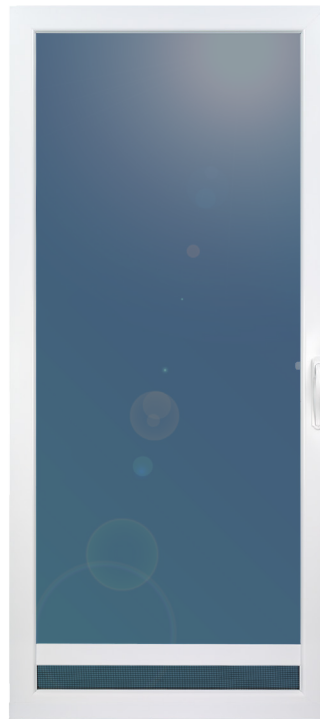

We will never compromise our product quality or value for a price point. Our doors are offered by independent dealers and distributors that appreciate unmatched quality and customer-friendly choices in door styles, hardware and accessories.

Gerkin offers three storm door categories: Classic, Uniquely Yours and Cabrio. All of our doors are guaranteed for as long as you own your home.

Model 904

- Full-view design
- Heavy-duty interchangeable screen
- Heavy-duty aluminum frame with corner gussets

ALUMINUM STORM DOORS

UNIQUELY YOURS | FEATURES

**Lifetime Hinges:**

Our self-lubricating hinges are made from extruded aluminum and have an exclusive lock-in feature.

**Foam Insulated Frame:**

Heavy duty, smooth aluminum with baked-on enamel finish is foam insulated for better energy efficiency.

**Concealed Installation Screws:**

All Gerkin doors come with z-bar screw covers. This ensures a clean and finished appearance from the outside.

**Corner Gusset:**

Engineered extruded aluminum corner gussets are used for maximum strength against twist and sag.

**Aluminum Clad,****Polyethylene Core Kick Panels:**

Our kick panels are built "kid tough" to withstand years of daily use.

**Adjustable Sill Expander:**

Two flexible sweeps and our sloped design expander provide a tight seal at the threshold.

**Deep Wool Pile Weatherstripping:**

This excellent weatherstripping seals out the elements at the head and jambs.
